Southern District of New York

Re: In re Specialist, Trevor, etc., Vessel Owner Limitations Actions/Claims
Civ. Action No. 16-cv-04643 (KMK) (PED); 16-cv-05010; 16-cv-7001

Dear Hon. Karas:

The undersigned represents Underwriters at Lloyds who had paid in full for the Tug Specialist's pollution remediation and now seeks recovery from, and to the extent of fault of Weeks Marine's Tug Trevor.

Due to COVID, an unfortunate conflict has arisen in my schedule preventing appearing at a phone status conference set for Monday 9 November at 3:30 p.m. Details are in the annexed email. Essentially, my quarantine received on 5 May keeps me from the first leg of travel plans, with travel only possible coinciding with the conference time.

Responses from other counsel disclose no objection. May I therefore prevail on the court to shift the conference to earlier that day, perhaps before 12:30, or a later day this same week? I sincerely regret the inconvenience to the Court and colleagues and am grateful for the indulgence.

**The status conference today will
be held at 12:30pm instead of
3:30pm as originally scheduled.**

Respectfully and Sincerely,

Alan Sacks

Subject: RE: E470 - Specialist

All:

I am now in a predicament on account of a conflict with the 3:30 phone conference with Hon. Karas on Monday 9th.

Yesterday (5th November) I received a notice and order that I am to quarantine until the 9th. See attached pdf. I pleaded with Westchester Health Dep't. today to push it back one day to allow me to travel on the 8th, as I was already booked for Savannah, then on to Palm Beach to see my mom morning of the 10th and take her to an MD appointment that day. Health admin would not budge so I cancelled Savannah, from where I would have called in. Now I fly first opportunity after ending of quarantine, and with no feasible flight on 10th, I'm forced to fly the 9th. The only flight is at, you guessed it, 3:30. Like being hit by a chunk of Skylab.

I plan to write Hon Karas to apply for a change in our conference. Is there any objection to moving the conference to an earlier time that day? Or some other time? I suppose I would rather suffer the ire of my colleagues and of our presiding judge than my mom's. So would you.

That aside, please advise soonest that I may apply to the Court with an unopposed request.

Cordially quarantined in Bronxville,

Alan

Very kind of you Joe. Much obliged.

For the sake of good order, I'll be away on personal business 8-14 November so a telephone is the only feasible way that I can participate.

 Quarantine Protocol for 2019-Novel Coronavirus (2019-nCoV)

1. I will remain at my location for the duration of the quarantine period. If I test negative for COVID-19 I will continue to be subject to quarantine for the entire quarantine period.
2. I am not permitted to attend work or school outside my home. I will not visit enclosed public spaces (grocery stores, drugstores, department stores, shopping malls, theaters, religious services, community centers) or attend any social gatherings.
3. WCDH or NYS contact tracers may communicate with me at least daily to check my condition and symptoms during the quarantine period. I am required to answer their questions regarding my condition. During the quarantine period, WCDH may make unannounced visits.
4. If I am housed together with family or others then such household members are permitted to remain in the home but are not subject to a quarantine, and therefore may leave the home.

If I subsequently test positive, those household members will be required to quarantine and will not be able to leave the home. Other non-household members/visitors are not permitted in my living quarters. I will not share my bed, bedroom or bathroom with household members and will keep my bedroom door closed. I will not eat in the same room with household members and I will not share linens, towels, eating utensils, cups and plates. I will limit my time in common household area such as bathrooms and kitchens. If a bathroom must be used by a person other than the person requiring isolation, the toilet seat and any touched surfaces are to be disinfected by the person requiring isolation after each use. A diluted household bleach solution is optimal for such disinfection. Disinfection guidance can be found at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/disinfecting-your-home.html>

5. Persons in the household can walk outside their house on their own property, but they must not come within six feet of neighborhoods or other members of the public. Persons living in a multiple dwelling may not utilize common stairways or elevators to access the outside. Likewise I need to refrain from walking in my neighborhood.

6. All household members will be informed of my quarantine status.

7. Garbage should be bagged and left outside my door for pickup.

8. If I have a fever of $\geq 100.4^{\circ}\text{F}$ / $\geq 38.0^{\circ}\text{C}$ (or feel feverish) or develop any other symptoms of 2019-nCoV infection, I will report this to the WCDH or NYS contact tracers as part of my daily monitoring. I will also call my medical provider and inform my provider that I am under quarantine for COVID-19 and have become symptomatic. If I don't have a provider I will ask the WCDH or NYS contact tracer where I can go for medical care:

Symptoms include: fever, cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell.

9. If I, or any household member, experiences a life threatening condition, call 911 and notify the caller that a person in the living quarters is under quarantine for 2019-nCoV infection so that responders can take proper precautions.

10. I am aware that if I become symptomatic or ill, those persons staying with me in my living quarters, may be subject to mandatory quarantine and I may be subject to isolation.

11. As part of my daily monitoring, I will notify the WCDH or NYS contact tracers of any needed care or services such as food, supplies, medicine or other supports that I require. If I require immediate attention, I can call 866-588-0195
